Test Cases

Test

ID	Title	Assigned To	Defects	Status
----	-------	-------------	---------	--------

ID	Title	Assigned To	Defects	Status
T77410756	Install PX with custom namespace	Balachandar P.		Passed
T77410759	Installation with customized parameter Max storage node perzone and verify the px deployment	Balachandar P.		Passed
T77410761	Verify PX installation with CSI enabled/disabled	Balachandar P.		Passed
T77410763	PX install with custom parameter like different number of drives, drive sets and capacity	Balachandar P.		Passed

Installation 7

ID	Title	Assigned To	Defects	Status
T77409784	Verify PX installation on top of ocp(4.11) VPC cluster using cloud drive option via catalog	Balachandar P.		Passed
T77411680	Verify PX upgrade from version 3.0.2 to 3.0.4	Balachandar P.		Passed
T77411904	Verify PX installation on top of iks-k8s(1.26) VPC cluster using cloud drive option via catalog	Balachandar P.		Passed
T77411987	Verify PX installation on top of ocp(4.12) VPC cluster using cloud drive option via catalog	Balachandar P.		Passed
T77413585	Verify PX installation on top of iks-k8s(1.27) VPC cluster using cloud drive option via catalog	Balachandar P.		Passed
T77413586	Verify PX installation on top of ocp(4.13) VPC cluster using cloud drive option via catalog	Balachandar P.		Passed
T77434717	Verify PX installation on top of iks-k8s(1.28) VPC cluster using cloud drive option via catalog	Balachandar P.		Passed

ID	Title	Assigned To	Defects	Status
T77409786	Verify billing meter starts successfully on coordinator node	Balachandar P.		Passed
T77409787	Verify billing reported as per interval	Balachandar P.		Passed

Licensing 1

ID	Title	Assigned To	Defects	Status
T77409790	Verify PX Enterprise Test license is activated on IKS cluster with PX deployed via IBM test catalog	Balachandar P.		Passed

Apps 3

ID	Title	Assigned To	Defects	Status
T77410764	Running apps with parameter like encrypted volume, unencrypted volume	Balachandar P.		Passed
T77410956	create CSI volumes and run IO. Delete the volume after IO is done	Balachandar P.		Passed
T77410957	create in tree volumes and run IO and delete the volumes after IO is done	Balachandar P.		Passed
